To: The Shareholders of Three-A Resources Berhad

Dear Sir/Madam,

PROPOSED RENEWAL OF EXISTING SHAREHOLDERS MANDATE

1. INTRODUCTION

The Company had, during the Seventh AGM of the Company held on 9 June 2009, obtained its shareholders' approval for the existing shareholders' mandate for recurrent related party transactions of a revenue or trading nature pursuant to Paragraph 10.09 of Chapter 10 of the Bursa Securities Listing Requirements. The said authority conferred by the shareholders will lapse at the conclusion of the forthcoming Eighth AGM of the Company to be held on Tuesday 29 June 2010, unless the renewal of the authority is obtained from the shareholders of the Company at the forthcoming Eighth AGM.

On 15 March 2010, the Board of Directors of the Company announced the Company's intention to seek approval of its shareholders for the Proposed Renewal of Existing Shareholders' Mandate.

The purpose of this Circular is to provide you with detailed information in respect of the Proposed Shareholders' Mandate and to seek your approval for the ordinary resolution thereto to be tabled at the forthcoming Eighth AGM.

WE ADVISE YOU TO READ AND CAREFULLY CONSIDER THE CONTENTS OF THIS CIRCULAR TOGETHER WITH THE ATTACHED APPENDIX BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF EXISTING SHAREHOLDERS' MANDATE AT OUR FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Proposed Shareholders' Mandate

Under Part E, Paragraph 10.09(1), Chapter 10 of the Listing Requirements, listed issuers with an issued and paid-up capital of RM60.0 million and above must immediately announce a Recurrent Related Party Transaction as follows:-

- (i) the consideration, value of the assets, capital outlay or costs of the Recurrent Related Party Transaction is RM1 million or more; or
- (ii) the percentage ratio of such Recurrent Related Party Transactions is 1% or more

whichever is higher.

Paragraph 2.4 of Practice Note 12 states that where a listed issuer has obtained a Mandate in respect of any Recurrent Related Party Transaction, the requirements of paragraph 10.08 will not apply to the Recurrent Related Party Transaction which are comprised in the Mandate. This means, during the period of validity of the Mandate, the disclosure obligation as set out in paragraph 10.09(1) of the Listing Requirements, as well as the obligation to procure shareholder approval as set out under paragraph 10.08 will not apply to the Recurrent Related Party Transactions which are comprised in the Mandate.

Pursuant to the said Paragraph 10.09 (2), Chapter 10 of the Listing Requirements, a listed issuer may seek a shareholders' mandate in respect of related party transactions involving recurrent transactions of a revenue or trading nature which are necessary for its day-to-day operations subject to the following:-

- (j) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year;
- (iii) the listed issuer is to issue a circular to shareholders for the shareholders' mandate; and
- (iv) in a meeting to obtain shareholders' interested directors, interested major shareholders or interested persons connected with a director or major shareholder and where it involves the interest of an interested person connected with a director or major shareholder, such director or major shareholder, must not vote on the resolution approving the transactions. An interested director or interested major shareholder must ensure that persons connected with them abstain from voting on the resolution approving the transactions.
- (v) Immediate announcement to Bursa Securities when the actual value of the Recurrent Related Party Transactions entered into by the Group exceeds the estimated value of the Recurrent Related Party Transactions disclosed in the Circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Accordingly, the Company proposes to seek its shareholders' approval for the Proposed Shareholders' Mandate to allow the Company to enter into transactions in the normal course of business with the classes of Related Parties, provided such transactions are entered into at arms' length and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and which will not be to the detriment of the minority shareholders.

The Proposed Shareholders' Mandate, if approved by the shareholders at the forthcoming AGM, will continue to be in force until:

- (i) the conclusion of the next AGM of the Company following the forthcoming Seventh AGM, at which the Proposed Shareholders' Mandate is passed, at which time such mandate will lapsed, unless by a resolution passed at the next AGM, the authority is renewed;
- (ii) the expiration of the period, within which the next AGM of the Company is required to be held pursuant to Section 143(1) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 143(2) of the Act); or
- (iii) revoked or varied by resolution passed by the shareholders in general meeting.

Whichever is earlier.

Thereafter, approvals from the shareholders for subsequent renewals will be sought at each subsequent AGM of the Company.

The actual value transacted of each RRPT from the date on which the renewal of the existing Shareholders' Mandate which was obtained on 9 June 2009 up to 10 May 2010 being the latest practicable date before printing of this Circular together with the estimated value of each RRPT as disclosed in the Circular to Shareholders dated 5 May 2009 was disclosed as above.

Notes:-

- * *The above estimated values are based on management estimates of the value of transactions. These estimates have been arrived at by the Three-A Group after taking into consideration historical data, prevailing prices which are market-competitive prices based on the normal level of transactions entered into by the Three-A Group and/or comparable rates on an arms' length basis based on market forces of demand and supply. These estimates are subject to changes according to commercial terms, business practices and policies, and industry norms or practices.*
- @ *SSSFI had on 26 March 2010 entered into a Sale and Purchase Agreement with Excellent to acquire the abovementioned rented property. The fulfilment of the conditions has yet to be completed*
- # *The Proposed Shareholders' Mandate will take effect from the Eighth AGM to the date of the next AGM in 2011.*
- ^ *This land was purchased by the Company from Excellent last year, therefore, the Company is not seeking mandate from the shareholders for this transaction.*

It is anticipated that the Group would, in the normal course of business, enter into transactions with the Related Party set out in Section 2.3 above. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

2.5 Rationale and Benefits of the RRPT

The RRPT to be entered into by Three-A Group are in the ordinary course of business. The RRPT are undertaken on terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders. All the transactions will be conducted on an arm's length basis. It is envisaged that in the normal course of the Group's business, the RRPT between Three-A Group and the Related Parties are likely to occur with some degree of frequency. These transactions may be time sensitive by nature, making it impractical to seek shareholders' approval on a case-by-case basis before entering into such RRPT.

The Proposed Shareholders' Mandate and the renewal thereof on an annual basis would avoid the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when the RRPT occur or arise. This would substantially reduce administrative time, inconvenience and expenses associated with the convening of such meetings on an ad-hoc basis, and allow manpower resources and time to be channelled towards attaining corporate objectives. The RRPT will also give additional business volume to the Group, thereby improving the turnover and profit of the Group.

2.6 Disclosure

Disclosure on the breakdown of the aggregate value of transactions conducted pursuant to the Proposed Shareholders' Mandate during the financial year based on the following information will be made in the Company's Annual Report and the Annual Reports for subsequent financial years that the mandate continues in force :

- (i) the type of RRPT made; and
- (ii) the names of the Related Parties involved in each type of the RRPT made and their relationship with the Company.

2.7 Condition for the Proposed Renewal of Existing Shareholders' Mandate

The Proposed Renewal of Existing Shareholders' Mandate is subject to approval being obtained from the shareholders of the Company at the forthcoming AGM of the Company.

3. REVIEW PROCEDURES IN RELATION TO THE RRPT

3.1 Review Procedures

The terms and conditions of the RRPT are determined based on normal commercial terms, business practices and policies or otherwise in accordance with other applicable industry norms/considerations and negotiated on a *willing buyer willing seller* basis.

To monitor the Recurrent Transactions, the following internal review procedures have been implemented:

- (i) Any quotation or contract received from or proposed to be entered with a Related Party will be reviewed by senior management who will ascertain if it is an approved RRPT. Such quotation or contract will not be approved unless the terms offered to the Group are comparable with those offered by other unrelated parties for the same or substantially similar type of transactions. The transactions with a Related Party will only be entered into after taking into account the pricing, quality, deliverables, level of service and other related facts including competitors prices of similar products and services in the open market;
- (ii) All transactions entered into pursuant to the RRPT will be reviewed on a quarterly basis by the Audit Committee to ensure that they are transacted on terms and conditions which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders in the light of the circumstances concerned. Furthermore, the Audit Committee of the Company shall also have the discretion to request for additional procedures to be followed if it considers such a request to be appropriate:
- (iii) At least 2 other contemporaneous transactions with unrelated third parties for similar product / services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to / by the related parties are fair and reasonable and comparable to those offered to / by other unrelated third parties for the same or substantially similar types of products / services and/or quantities. In the event the quotation or comparative pricing from unrelated third parties cannot be obtained (for instance, if there are no unrelated third party vendors / customers of similar products or services, or if the product / service is a proprietary item), the transaction price will be determined by those offered by / to other unrelated parties for substantially similar type of transactions and approved by the Board to ensure that the RRPT are not detrimental to the Group.
- (iv) Records will be maintained by the Company to capture all RRPT entered into pursuant to the Proposed Shareholders' Mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to:
- (v) The Audit Committee has and shall continuously review the adequacy and appropriateness of the procedures, as and when required, with the authority to sub-delegate to individuals or committee within the Company as they deem appropriate;
- (vi) If a member of the Board or of the Audit Committee has an interest, as the case may be, he/she shall abstain from Board or Audit Committee deliberation and voting on the resolution in respect of the RRPT; and
- (vii) If an interested Major Shareholder has an interest, as the case may be, the said interested Major Shareholder shall also ensure that the persons connected with him abstain from voting on the resolutions approving the transactions.

- (viii) Where shareholders' mandate has been obtained, disclosure shall be made in the annual report of the aggregate value of RRPT conducted pursuant to the mandate during the financial year.

There are no specific thresholds for approvals of RRPT within the Group and its subsidiaries.

3.2 Statement by the Audit Committee

The Audit Committee of the Company has seen and reviewed the procedures established in Section 3.1 above in the treatment of RRPT and are satisfied that the procedures are sufficient to ensure that:

- (i) The RRPT will be conducted at arm's length and on normal commercial terms; and
- (ii) Such transactions are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.
- (iii) the Company has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner, and that these procedures are reviewed on a yearly basis or whenever the need arises.

If, during its periodic reviews, the Audit Committee should be of the view that such procedures are no longer appropriate or adequate to ensure that recurrent related party transactions will be carried out on normal commercial terms or will be prejudicial to the interests of minority shareholders, the Company will seek a fresh mandate from shareholders based on new procedures.

4. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will not have any effect on the issued and paid-up share capital, substantial shareholdings, consolidated earnings per share and net assets of the Company.

5. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND PERSONS CONNECTED TO THEM

Save as disclosed in Section 2.3 above, none of the other Directors and/or Major Shareholders of Three-A Group and/or persons connected to them have any interest, direct or indirect in the Proposed Renewal of Existing Shareholder's Mandate.
